

PROXY VOTING REPORT 2015

The summary for our proxy voting record for the period 1 July 2014 to 30 June 2015 is attached, covering both domestic and international stocks.

Our proxy voting policy is that we are 'committed to voting on company resolutions where we have voting authority and responsibility to do so' consistent with IFSA Standard 13.00 – Proxy Voting.

The summary covers the following trusts:

- Balanced Fund
- Australian Shares Fund
- Diversified Shares Fund
- International Shares Fund
- Advocacy Fund

No shares are held in the Cash Fund, Fixed Interest Fund, or the Property Trust. These Trusts therefore do not need to be included in the summary.

A total of 1,409 resolutions were received. It should be noted that:

- holdings in some companies were sold prior to an annual general meeting being held;
- annual general meetings were held prior to us having holdings in some companies; and
- some resolutions were voted on at extraordinary or special general meetings for specific issues.

Of the 1,409 resolutions voted on across the five trusts, 1,277 were voted 'for', 33 were voted 'against' and we 'abstained' from voting on 99 resolution.

Advocacy Fund

Shares in a number of companies are held for advocacy purposes in the Advocacy Fund. Where advocacy activities are not current we will generally abstain from voting.

Negative votes

The negative votes related to:

- Insufficient detail being provided;
- Appointment of directors (reasons included lack of experience and being responsible for poor performance of a company);
- Remuneration issues (including director fees and CEO severance payments); and
- Resolutions that may not be in the best interest of shareholders (including misuse of shareholder funds).
