Under superannuation legislation, Australian Ethical Super is prohibited from providing you with insurance cover if your superannuation account has not received any contributions or other amounts for a continuous period of 16 months or more (inactive account), or if you are under age 25 and/or your superannuation account has not had a minimum balance of \$6,000 at least once (low balance) unless you make a valid election.

Option 1: You can use this form to keep your cover with Australian Ethical Super if:

- Your existing insurance cover automatically ceased because your superannuation account hasn't received any contributions or other amounts for a continuous period of 16 months or more (inactive account);^{*} or
- You want to prevent your existing insurance cover from automatically ceasing even when your superannuation account does not receive any contributions or other amounts for a continuous period of 16 months or more (inactive account); or

^{*}If you apply to have your cover restart within 30 days of cover ceasing, your cover will be reinstated from the date it first ceased, and there will be no gaps in cover. If you apply to have your cover restart between 31 to 60 days of cover ceasing, your cover will recommence from the date we accept your application, and there will be gaps in cover. If you're not in active employment on the date your cover recommences, your cover will be subject to new events cover limitations until you're in active employment for 30 consecutive days. However, if we've not received an employer contribution from you when your cover recommences, your cover will be subject to a longer period of new events cover limitations. Please refer to the Insurance Guide for more details.

Option 2: You can use this form to make an election to receive insurance from Australian Ethical Super if:

- You currently do not have any insurance cover with Australian Ethical Super because you are aged under 25 and/or your account balance is less than \$6,000, and you wish to apply for Default Cover which is made up of Death and Total and Permanent Disablement (TPD) insurance covers.^{*}

^{*}To be eligible for Default Cover, you must also be aged 15 and over, and have not previously held any Death & TPD insurance cover with Australian Ethical Super.

Note that insurance cover will not be reinstated or provided until Australian Ethical Super has received and accepted your opt-in form, and that the insurance cover that is reinstated or commences by this opt-in form is subject to the terms and conditions set out in the [Insurance Guide](#).

BEFORE YOU PROCEED: Please make sure that you have enough money in your Australian Ethical Super account to pay for insurance premiums.
